About the Instructor:
Vanessa S. Jimison has
successfully used this
food-healing system to
overcome her own life-
threatening disease.

*Has it been so long since you have felt well that
you can't remember what feeling "well" is?*

Who should attend?

Anyone who:

- Wants to take charge of their health through healthy foods
- Is interested in food disease protocols
- Wants to learn how thousands of people have reversed diseases
- Wants to say YES to finally becoming Healthy!

What will you learn about?

High Phytochemical Food Healing

Specific Foods and the Diseases they

can Reverse

Herbs & Supplements

*"This workshop was
life altering. With sta-
tistics now showing
that almost half the
population might get
cancer, I now know
that what I eat now
will determine how my
body can defend itself."*
