Love In the Name of Christ

Dear Partners in Prayer,

Prayer is an essential part of our relationship with God. Yes, God already knows all about us, our past, our futures, but he still wants to have a relationship right now, in the present. We have free will, the ability to make our own decisions, including the decision about our own eternal destiny, but by praying, we are seeking God's will for our lives.

We see the power of prayer time and again in the Bible. Kings, prophets, and ordinary people averted destruction by praying to God. One prayer halted the sun in the sky. Another called fire down from heaven. Prayer even saved a whole city from utter destruction. People prayed intensely to the God who answers prayer. We can pray with the same results. "The...prayer of a righteous man availeth much" (James 5:16)

"Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them." (Mark 11:24) God listens to us when we come before him in prayer. As we pray consistently, we are affirming the power of God in our lives, building our faith as we see God's hand do His mighty work on our behalf. All we have to do is ask, believing that God will answer us according to His will.

"Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened."
(Matthew 7:7-8).
