Why Reusable Bags?

Enviro-Facts (things you really should know)

55 million plastic bags are used each week in Canada - at grocery stores alone!

That's 2,860,000,000 plastic bags each year! (yeah, we were shocked too)

March 2007 (Reuters) San Francisco becomes 1st city in North America to ban plastic bags

Leaf Rapids, Manitoba becomes 1st Canadian city to do the same (and consumers love it!)
