The meditation practice helps you prepare your spiritual body and expand your consciousness to that of a Christed Being.

YANTRA MANIFESTING COURSE: THE KEYS TO MASTERY

Claim your birthright as a Spiritual Master. This one-of-a-kind course is based on a series of original full-colored Yantras, or visual mantras, which are spiritual "how-to" maps full of empowered symbols and sounds used to break the seals within the subtle body and allow spiritual power to manifest.

ANAMATA ENERGY ATTUNEMENT™

AnaMata means First Mother. This beautiful attunement reconnects you with the True Divine Feminine Energy and empowers you to work with the AnaMata Seed Sounds to deepen the healing of your Spirit and your energy system.

The more powerful second level of the Christa Energy literally helps you transform your energy system so you can once again manifest in alignment with God's creative Energy.

CHRISTA HEALING METHOD®
