

## Count It All Joy

VS-1: Blessed is the man that endureth temptation; For he shall receive a crown of life.

The Lord has promised to them that love Him, For they won't be tempted of God.  
For every good gift comes down from the father; And wisdom only comes from above.  
Sow seeds of kindness with peace and mercy, And you can Count It All Joy.

Chorus:       Count It All Joy when you work for the Savior;  
                  Count It All Joy when you're in His favor.  
                  For whatsoever ye ask in faith, nothing wavered.  
                  For he that is like a wave of the sea,  
                  Is driven and tossed with the wind.  
                  So stand up in faith, trust and believe and with Jesus  
                  Count It All Joy.

VS-2:         The Bible says speak not of evil. And judge not our fellow man.  
                  For he who lacks patience and grudges each other; The Lord will surely judge.  
                  Now we will not live here forever; For as a vapor then we'll vanish away.  
                  So tell about Jesus and pray for each other, And you can Count It All Joy.
