

## **Daddy's Tears**

VS-1: I returned to my home the other day.  
Where I lived as a child with family.  
I knew the time would come,  
When the Lord would call one home,  
And I'd be dealing with my grief so selfishly.

Chorus: Daddy's tears said he wanted to stay;  
Daddy's tears said he knew he had to go.  
Daddy didn't want to leave us but he knew it was his time;  
For the Lord required his soul that very day.

VS-2: Daddy closed his eyes as we knelt beside of him;  
We prayed to God above and asked that He would give.  
The strength to carry on and get through each day.  
For the Lord each day we want to live.
