

## **God Will Provide A Lamb**

Verse 1: As Abraham led Isaac up Moriah's hill.

He knew he was going to do his father's will.

As he laid him on the altar and stretched forth his hand.

An angel of the Lord called out his name.

Chorus: My son, my son, God will provide a lamb.

For unto you this day a sacrifice has been made.

There's been blood shed for all who believe upon His name. This  
precious blood will wash your sin away.

Verse 2: A certain man had two sons, and the young one went afar. He took  
his share and wasted it away.

He began to be in want and laid with the swine.

Then he arose and said I'll go back to my father's side.
