

He's A Right Now God

Verse 1: We talk about the good times that happened long ago

How folks would shout and glorify our Lord many years ago. We think that all that those good times are gone forevermore

But all we have to remember is my God has never changed.

Chorus : Our God is a right now God; an on time God; a happening kind of God.

He's the same yesterday, and forever and He never never changes.

He can save your soul and make you whole and won't remember your sins anymore.

My God is an awesome God and He will never change.
