

He's Not Here

Verse1: Now Mary and Martha sent for Jesus, saying Father if you'd been here our brother wouldn't have died.

Now Jesus had tarried in the city for two days,
And when he arrived he found Lazarus in the grave.

Verse 2: Now Martha said to Jesus I know whatsoever I asked of God He will give to me:

I'm asking dear Jesus for your resurrection power
And Jesus said to her thy brother shall live again.

Chorus: He's not here He is risen.
(He's not here He is risen.)

He's not here The stone is rolled away.
(He's not here The stone is rolled away.)

You don't have to go to the grave to find it empty,
Come see the place where Lazarus/Jesus lay.

Verse3: In the beginning when Jesus was born to Mary.
She wrapped Him in garments and gave Him unto God.
He covered him in righteousness and declared Him King of Kings.
Because He loved us He knew He'd be our sacrifice.

Verse 4: Jesus was nailed to a cross between two thieves.
He had no sin nor guilty of anything.
He died for all who asked His forgiveness.
He arose on the third day by His resurrection power.
