

I Want to Stroll Over Heaven

VS-1: If I surveyed all the good things that come to me from above,
If I could count all the blessings from the storehouse of love;
I'd simply ask for a favor beyond mortal end.
I'm sure He would grant it again and again.

Chorus: I Want To Stroll Over Heaven with you some glad day.
When all the troubles and heartaches have truly vanished away.
We'll enjoy all the beauties where all things are new,
I Want To Stroll Over Heaven with you.

VS-2: We'll renew auld acquaintance with the friends we once knew,
Then we'll meet all our loved ones:
And we'll see Jesus too.
That will be a glad reunion and there'll be much to view,
While I stroll over Heaven with you.
