

Keep Going On

Verse 1: Just like Job – An upright man.
 He had the sheep, the cattle and the land,
 But he kept going on for Jesus.
 He begged to die but kept going for God.
He said my flesh may be destroyed, but I will see God.
 And I know that my redeemer liveth.

Chorus: Keep going on with Jesus.
 Don't turn away from Him.
 He'll be your dearest friend.
 Keep going on with Jesus.
 Though the light may grow dim.
 Keep going with Jesus.

Verse 2: You can take away my houses and lands.
 You can away take the works of these hands.
