

LET US RISE

Verse 1- Moms and dads have worked for many things, then they die;
they praise their God above for their children and their lives.
But somehow we've missed the mark we've forgotten to pray,
but we must get back to the old fashioned way-----

Chorus- Let us rise to the giver of life. Let us rise to the sacrifice for life.
In-glo-ry-and-praise-in-honor of His name.
Let us rise and lift our hands to Jesus Christ.

Verse 2- Our courtrooms fill with people who are guilty for their crime;
They're looking for mercy instead of doing time.
Mercy was granted for all who believe;
now let us stand up for the judge of Calvary-----

Chorus- Let us rise to the giver of life. Let us rise to the sacrifice for life.
In-glo-ry-and-praise-in-honor of His name.
Let us rise and lift our hands to Jesus Christ.
