Chorus:        There is power, power wonder working power.

                  In the blood . . . . . of the lamb . . . . .

                  There is power, power wonder working power

                  In the precious blood of the Lamb.

Verse2:        Would you be whiter much whiter than snow?

                  There's power in the blood, power in the blood.
