

Would You Serve God For Nothing?

Chorus: Would you serve God for nothing? Oh Yeah If He took everything?
Would you serve God for nothing? Oh Yeah If He'd nothing to give?
If He took all you had your family and friends and left you here to the very end.

Would you serve God for nothing?

If you'd nothing to gain?

Verse 1: Well I went to a church the other day.

I listened to the preacher as he began to say.

All our mighty blessings come from God.

But I got to thinking 'bout how good He's been.

How He's blessed and gave us everything;

I'd like to think I'd serve Him anyhow.

Verse 2: Now, Job was blessed he had it all.

A hedge about to guard it all.

But God said all he hath, is in thy power.

And Satan came, and burned the sheep his family and land he
could not keep. But Job fell and worshipped God anyhow.
