To Whom It May Concern:

On behalf of the McKinney High School Band, we would like to request a donation for our 7th annual March-a-thon. This activity is an opportunity for students to raise funds for our educational Trip/Performance later this spring. At this March-a-Thon, students will march and perform at various venues. Students will march a total of five miles plus performances at local businesses.

The March-a-thon is the largest fundraiser for the McKinney High School Band students to raise funds that will benefit the individual student. Proceeds raised by the student will assist him/her to participate in this year's Spring Trip. Your generosity and support will be greatly appreciated.

Your donation (however big or small) is fully tax deductible, and we will be happy to provide you with a receipt for your generosity. The students, band boosters, and directors wish to thank you for the support you continue to show for the students within the McKinney schools.

Thank You For Your Consideration,

Ken Ringel
