

Non-Toxic!
Environmentally Safe!

100% Satisfaction Guaranteed on ALL LayorCare Products!

LayorCare Pre-Treat/Cleaner (Acid Free) - 1 Gallon covers up to 300 sq ft*

Prepare all your porous surfaces, tile, pool decks, masonry, concrete, stone or any polished surface with this safe-nontoxic cleaner. Will not affect pools pH levels. The perfect cleaner to use before applying LayorCare sealers. New citrus scent!
Available in Quarts, Gallons and 2.5 Gallons.

LayorCare Heavy Calcium Releaser (Acid Free) - 1 Gallon covers up to 300 sq ft*

Blast the Calcium - Not the tile! This powerful cleaner is all you need to quickly remove heavy calcium and mineral deposits for all pool tile and decks, natural stone, rock water features and more. Will not affect water pH and won't etch most surfaces.
Available in Quarts, Gallons and 2.5 Gallons.

LayorCare Multi-Blaster (Acid Free) - 1 Gallon covers up to 300 sq ft*

Removes Stubborn **efflorescence** with this multi-purpose, porous surface cleaner. Works great as a pretreatment or clean-up on pool tile and decks, natural stone, rock water features, concrete and more. Wont affect pools pH and won't etch most surfaces. New citrus scent!
Available in Quarts, Gallons and 2.5 Gallons.

(*all sq ft coverage is approximate)

WE REIGN. LET IT POUR.
