## The Pastor's Pen

Greetings in the New Year to all our friends in the Crossolutions Family!

I thank God for the wonderful Koinonia He has given us in 2009. We've seen our network of relationships grow and spread out. In Sidney, Nebraska with our long-time friends and partners in ministry, Pastor Pete and Diane Morgan have planted a new church called The River Fellowship. The Bruse family, who are preparing for the mission field have been a great blessing to us. Randy and Susan McKenzie with Catch the Fire Ministries have come along side us. These, together with all those God has brought to our own Koinonia Outreach, have blessed us indeed. Each of you represents a unique circle of touch impacting not only us, but many others.

Our choice of affiliations with the relational network of Friends in Harvest was abundantly affirmed when I was privileged to attend the global pastors/leaders conference in Toronto, Canada. I was amazed by the enormous impact Friends and Partners in Harvest is making globally. I was immensely gratified by the universal humility of our leadership. I was endeared especially to Jay Snyder who is our regional coordinator and my closest covering and accountability. We have been in communication and bonded by Christ.

**Remember...we have a  
time change in our  
meetings.**

**Thursday nights are  
now at 6**

*A preview of our new location*

I believe our change in meeting location represents the positive changes that 2010 will bring us. Different and exciting opportunities are opening up to us this year. Every gift that each of you brings into the fellowship makes a positive impact that enriches the way we touch our community.

The Father's richest blessings through Jesus Christ be yours in 2010.

Love,  
Pastor Bob

## We're Moving!

We're very excited to announce that we have a NEW location for our gatherings.

And we won't be moving far. In fact, it's just around the corner, next door to Dakota Look.

Here are a few things to look forward to:

- Visibility in the Community
- Level Entry/Easy Access
- Ample Street Parking

- Office Space
- Our Own Restroom
- Improved Heating/Cooling

After some sweat equity, we'll make the move and hope to have the first service there on Sunday, February 7<sup>th</sup>.

Work Parties will be on Saturdays. Stay tuned for times and needs.

Our new street address will be 106 North Chicago.
