

Hello and welcome to Kindergarten! My name is Amber Fazio and this is my first year at Good Shepherd. I look forward to a fun filled educational year.

I am a graduate of The Pennsylvania State University where I obtained my Bachelors degree in Elementary Education. I completed my student teaching in the Gateway School District at Moss Side Elementary school. I spent my time at Moss Side teaching 2nd grade. I continued my experience working in the Shaler Area School District as an Americorps tutor. As an Americorps tutor, I worked with both small groups and one-on-one with a variety of different students in grades 1-4. I also taught Reading for the 2nd grade Enrichment group as well.

My goal for this year and each year to come is to find a way to reach each and every one of my students. I hope to open up their eyes to the fun and exciting world of education, while making it a continuing part of their lives. I will strive to interest my students in the importance of lifelong learning while relating it to their own world. I look forward to getting to know each of you and working together to ensure success in each of your children. Please feel free to contact me with any questions, comments, or concerns you may have. Thank you in advance for your continued support.
