

WELCOME TO 2ND GRADE

Welcome Everyone!!! I'm Miss Olbrish and I will be teaching second grade this year. This is my first full year at Good Shepherd and I am really looking forward to working with everyone.

A little bit about me..... I am from Plum, where I grew up and graduated. I received my B.S. in Elementary Education from Indiana University of Pennsylvania. I have substituted in various districts including: Plum, Gateway, and Franklin Regional. I worked as a paraprofessional in the North Hills School District in the Life Skills classroom also. I spent time working in the Propel Charters Schools and also taught preschool. Last year I took over for Mrs. Delio as a long-term sub here at Good Shepherd. I am honored to be here at this wonderful school and am very excited to work with your children.

I am Special Ed. Certified and am working towards obtaining my Master's Degree in the Special Education Field. I am also the Special Education Coordinator here at Good Shepherd. Feel Free to contact me with any questions or concerns.

When I'm not doing school work, I like to read, bike ride, and spend time with my little one year old nephew and niece. They keep me busy! ☺

Again, Feel Free to contact me with any questions, comments, or concerns. I look forward to hearing from you.

**please be patient as our site undergoes changes..... There will be more to come soon! ☺*
