Pastor Angel Boll ministered to us at our Sunday Morning Mother's Day Service. She shared of how different kinds of shoes represent different seasons and times in a mother's life. House shoes represented her caring for the home, sneakers represented the hectic

running pace of a mom with young children, and heels represented a woman's femininity and her responsibility to teach the next generation how to be a woman of God. The final set of shoes were combat boots representing the spiritual battle that mothers must fight for their children. Many women responded in the altar call and were

Words Of Wisdom

When life circumstances challenges us. It teaches us to accept his direction. Help us to remember that all things can be used for good.

Romans 5:3-5 *Not only so, but we also glory in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope. And hope does not put us to shame, because God's love has been poured out into our hearts through the Holy Spirit, who has been given to us.* **By Sis Lee Kincaid**

May Women's Banquet

"Dressed to a Tea"

Over 70 ladies came together to for our "Dressed to a Tea" Banquet. The hall was beautifully decorated with Tea Pots, Tea cups and 20's—40's décor. Thanks to Maria Fornaro and Jerry Campbell.

Jamie Kidd ministered to us in song and Pastor Sherri Orr was our guest speaker. She ministered to us about different women in the bible and how despite of their heritage and mistakes, God was able to turn something that people may have thought of as damaged, into something beautiful for God's Glory.

May Women's Meeting

*In the month of May Rev. Anita Gonzalez Shared her testimony "**Breaking Free.**"*

Anita took us through her life's journey In which she shares the account of when she learned who God was and accepted God, but truly never surrendered her innermost pain. Sister Anita goes on to speak of how God revealed to her that she would have to surrender everything, and truly forgive if she wanted to be free from these chains of hurt in her life. And in doing so, God would heal her heart, free her mind and use her testimony to minister to others so that they too can receive that same healing and Freedom.

Psalms 30:2 LORD my God, I called to you for help, and you healed me.

Psalm 118:5 In my distress I prayed to the Lord, and the Lord answered me and set me free

June Women's Meeting

Rev. Joyce Wolf came to testify in the month of June on the many trials and triumphs that God has brought her through in her life. Despite any hardships and uncertainty, she was always certain in God's ever presence in bringing Victory in the end. God truly Glorified himself through her time and time

again. Joyce was anointed to preach the word of God from a young age and that night the Lord used her to minister to many ladies in need.
