Fall Festival & Trunk or Treat are Right Around the Corner

We are so excited to welcome our friends and extended community for our Fall Festival. What a wonderful opportunity to celebrate Community, CBC! We will do what we do best, welcome guests, listen to great music, sip fresh cider and enjoy the day with friends! This year we will be adding Trunk or Treat. See details for Trunk or Treat and schedule for day on page 3.

We are always looking for help with set up and clean up and friendly faces to welcome "new" faces. We also are interested in any crafters to share your wares. If you'd like to be part of helping the day run smoothly, please contact Pastor Colleen.

It is our on-going goal to encourage the people of Crozet Baptist Church to become **PASSIONate** followers of Jesus Christ.

Our Mission's Measure is the standard by which we hope to measure all activities of the church.

- Pursue Intimacy with Christ (worship/Bible study)
- Ask God first (prayer)
- Serve inside the church
- Serve outside the church
- Invest in the Kingdom (tithe and talent)
- Open doors to Jesus (outreach)
- Nurture meaningful relationships (connect)

We are confident that the following goals will bring about growth in both our individual and corporate life.

Community in Worship

- Work with the Church Council to identify and implement an annual theme that will be expressed in all areas of church life, especially in our corporate worship experiences.
- Examine and assess the shape of worship at CBC.

Community Connections

- Continue to work with Adult Life Fellowship leaders, Sharon and Richard, to encourage teachers to switch to Texas Baptist Convention Press Sunday School literature, to provide training and resource opportunities for current teachers and to initiate new Life Fellowship classes to meet the diverse educational needs of our congregation.
- Continue to mentor our Youth Ministry Intern, Tracey Pugh, through weekly staff meetings and key ministry events.
- Work with the Personnel Committee to complete the hiring and assimilation of a new Children's Ministry Coordinator.
- Work with Tammy James on the Hope and Healing Center.

Service in Community (time/tithe/properties)

- Continue to work with the Finance Committee to find funding for the capital improvement needs of the church.
- Work with the Treasurer and the Finance Committee to update and facilitate the accounting systems of the church.
- Work with the Church Council and Stewardship Team to develop a clear vision for stewardship education and promotion that will include our new EGive option.
- Work together to develop and implement a rotation of pastoral leadership for the strategic committees, teams and ministries of the church.

Outreach in Community—Open Doors to Jesus

- Create a new approach to quickly identify guests in worship and to recognize when regular attenders are absent for more than three weeks.
- Develop strategies to more effectively engage guests at CBC with the goal of helping them make a meaningful connection with us.
- Develop regular community fellowship events with various target groups, schedules and themes/topics in mind (e.g. Potluck and Praise, Game or Movie nights, Dining Fellowships, Sharing of the Arts)
- Explore the possibility of increasing weekday use of our building by providing space for a variety of artistic and educational opportunities (e.g. piano lessons, tutoring, workshops, et. al.)

Advent Devotions due October 18 ...

This year the emphasis for our CBC Advent devotional booklet will be the concept of community. How have you experienced the truth of Christmas in community? Perhaps you remember a special service or family event or maybe even a gift from the heart that you gave or received. Have you been involved in ministering with others at Christmas and experienced the sense of being blessed while being a blessing to others? Perhaps you would like to consider your place in the global community and consider your role there; maybe opportunities such as Operation Christmas Child come to mind. Have you ever experienced an "international" expression/experience of Christmas?

If you are willing to share your story of Christmas and community with others in the community of faith here at Crozet Baptist Church, contact Edna Lumley or Chuck Miller.

You may email Edna at ednalumley@aol.com or call her at 823-5331. You may call Chuck at 823-1483 or email him at cmillercrz@roadrunner.com. We appreciate it very much if you are willing to be a part of this special ministry.

Share the Blessing 2011

It's the time of year when we as a church family prepare to 'Share the Blessing' throughout our larger community. Counselors from all of the Albemarle county schools will provide the names of families in need and then WE coordinate, pack, and deliver their Thanksgiving groceries. (Saturday, November 19 this year.)

Last year CBC members with the help of other local churches and community food drives provided meals to more than 250 families. There is every reason to believe we will have more requests this year.

This project offers us the opportunity to share a little of what we have been given to help those in need. It's another way we love our neighbors and fulfill our mission to encourage people in our ever-expanding community to follow Jesus Christ with ever-increasing passion.

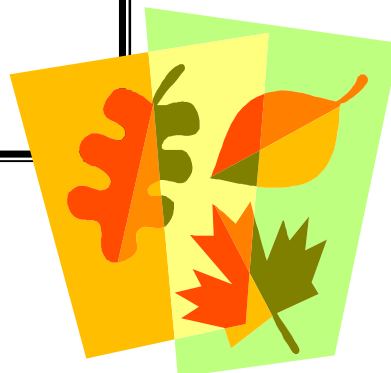

There are many ways you could be part of the STB planning team this year - coordinating, phoning, some data entry, and shopping to mention a few. If you know you're ready to plug-in or you'd just like some more information call or email Pat Gaertner: (434) 823-6438 or patgaertner@embarqmail.com.

And to Tracey Pugh for all of her years coordinating Share the Blessing - THANK YOU, THANK YOU, THANK YOU! May God bless you as you continue to serve in your new role as Youth Minister Intern at Crozet Baptist Church.

Shining the Light of God's Love – a shoebox story

Samaritan's Purse distributed thousands of shoe box gifts to refugees from the South Ossetia War, which erupted in August 2008.

At another refugee center in an old school building outside of the capital of Tbilisi, 50 children heard a presentation of the Gospel and received words of comfort from a member of the Operation Christmas Child National Leadership Team in Georgia.

"We are bringing gifts that were specially prepared for you by children in America," explained Pastor Gela. "They want to encourage you during your time of crisis."

One at a time, the children walked to the front of the classroom to receive their boxes and Greatest Gift of All Gospel booklets written in the Georgian language. They returned to their seats and patiently waited until every child received a box before they opened them.

One girl lifted a cuddly brown teddy bear from her box and cradled it in her arms. A teenage boy got a green baseball cap and slapped it on his head, grinning. For the past decade, Pastor Gela's Pentecostal church in Tbilisi has worked with Operation Christmas Child to help deliver shoe boxes to youngsters in some of the poorest neighborhoods in the country.

"We are always trying to expand our ministry to children," he said. "The boxes give us an opportunity to reach out to them in a way that would not be possible otherwise. They are a good tool for explaining to them who Jesus is and to share the Gospel with them."

His church began offering the 10-lesson Bible course through the Operation Christmas Child follow-up discipleship program. Over 100 children enrolled in the program at first, and the pastor requested lessons for 500 children afterward.

"I remember one boy whose parents wouldn't let him come to church. That was before he received the Bible lessons," Gela said. "Now they have given him their blessing to go to Sunday school."

Pastor Gela notes that the hardships and uncertainty have prompted many Georgians to turn to Christ like never before. People seem more open to hearing God's Word, and there has been an increase in the number of families who attend his small church. Along with that revival has come a heightened desire to minister to those in need in their community, particularly those affected by the war.

"We distribute food and clothing to the refugees. But we want to give them something deeper than physical help," he said. "These people are hurting. We talk to them about Jesus Christ, and it's a great blessing to see the powerful change in their hearts."

- ♥ Our next CBC Food Drive at Crozet Great Valu is Saturday, October 8! Sign-up to volunteer an hour (or two) on our online sign-up. Go to our website: www.crozetchurch.org.

- ♥ **Packing dates this month: Wednesday, October 12 and Monday, October 17, starting at 6:30 p.m.**
- ♥ You could help anytime by double-bagging the brown bags and storing them on the top shelves in the food pantry.
- ♥ **We'd also like a small team to pack just the bags that Deb needs for our walk-in families. Set your own schedule.**
- ♥ If you maybe-sort of kinda think you would like to help deliver groceries please email or call Pat Gaertner and we'll talk about a "ride-along" so you can see how it works.
- ♥ If you have any questions or ideas to improve the food pantry call Pat Gaertner, 823-6438, or email: patgaertner@embarqmail.com.

Library News

A Night To Remember, May 13, 2011

On this night the first Albemarle High School All-class Reunion took place. It was the occasion of the induction of the first members of the Albemarle High School Hall of Fame, and the inductees included former teachers, guidance and athletic directors, and Leonard Sandridge, graduate, and Benjamin Hurt, principal. Each inductee who was present spoke briefly, and Benjamin Hurt was especially honored by additional speakers.

This recorded celebration is on DVD in our library. You need to view this DVD. Your heart will be warmed, and you will be enlightened.
