

2011-2012 GIVING LEVELS

The philosophy of Norcross Basketball revolves around the combination of hard work and commitment. The players in our programs dedicate themselves to their sport and their school. Our goal is to have teams that excel in the classroom, the community, and on the court. Since the beginning of this decade, the success of our teams is unmatched in the state of Georgia. Over thirty of our former players have entered college basketball programs.

This success does not come without a price. To maintain our programs at such a competitive level, we must have support from sponsors. Unlike other areas, Gwinnett County does not provide athletic teams with funding. Almost all financial support comes from fund-raising, sponsorships, and Tip-Off Club Memberships. It is imperative that we work together to keep this program at the top. Some of the essential supplies that your sponsorship contribution will provide include:

- * Academic Tutoring and SAT Prep Classes
- * Pre-Game Meals
- * Travel and Lodging for National Tournaments
- * Uniforms and Practice Gear
- * Game Officials
- * End of the Year Banquets and Post-Season Awards

Last year alone, the Norcross Tip-Off Club provided almost \$1,300 of support *per player!* Our young men and women represent this community unlike any other. Now is the time for you to give back and show your support by becoming a sponsor of the Norcross Tip-Off Club.

Angie Hembree,
Head Basketball Coach - Varsity Girls

Jesse McMillan
Head Basketball Coach - Varsity Boys
