

**It is with great excitement that we begin our sixth season and
I invite you to be a member of the Beckman Baseball Boosters.**

With our players enjoying the incredible facilities of Beckman High School during their academic day, we have the task of bringing our Baseball facility up to the same standard. Over the past five years, we have made huge improvements to the facility, including the installation of a new perimeter fence, batting facility and bullpens. The improvements were evident as our Varsity team won the Pacific Coast League title, made into the playoff for the second year in a row. Last year was an exceptional year as the Varsity team made it to the CIF SS Div III Championship game and had the best record in the State at 26-5. Our goal is to continue to upgrade our facility which will make Patriot Baseball a premier high school program.

Our goal this season is to achieve 100% participation in the Beckman Baseball Booster Club with the families involved in the Baseball program.

Booster Club membership is not limited to parents of current players. Feel free to invite grandparents, aunts, uncles, cousins and business associates, as well as family friends to join us on your behalf. Any memberships received will be credited to your players' financial commitment.

All Booster Club members will be listed in our Souvenir Program. You will also receive a letter of appreciation with our Non-Profit Tax ID Number.

Your commitment and generosity to the Beckman Baseball Boosters directly benefits the young men of our Patriots teams.

Booster Name _____
(as you wish it to appear in the souvenir program)

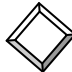

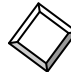

Address _____

City _____ State _____ Zip Code _____ Phone # _____

Email _____

Player's Name _____
(to receive fundraising credit towards his commitment)
