## Our Ministry Needs:

- 1). Continued leading and clarity from God- Answering prayers.
- 2). Abundant financial ministry provision for God's glory.
- 3). 24/7/365 Prayer Covering for this ministry and leadership
- 4). Faithful and willing partners engaging in regular Fasting Prayers.
- 5). Restoration by God of all things through His provision.
- 6). God's continued hand upon us for this balance of lifetime call.
- 7). Reapers passing up Sowers on the same field-Mighty Harvest.
- 8). Fulfillment of the vision to "Use the three hundred men..."
- 9). Ability to travel "on mission" at God's leading for His glory.
- 10). Growth of Valiant Warrior ministry teams & provision for them.

Through our own regular fasting prayers we have experienced and learned that sometimes it is of great value to not be full, but rather to be found "hungry".

### [Matthew 5:6](#)

**Blessed** are those who **hunger** and thirst for righteousness, for they will be filled.

### [Luke 6:21](#)

**Blessed** are you who **hunger** now, for you will be satisfied. **Blessed** are you who weep now, for you will laugh.

To more fully understand Fasting Prayers read Isaiah 58 to see what the Lord

calls True Fasting Prayers. We also highly recommend the book entitled “Fasting” by Pastor Jentezen Franklin.

We pray and ask you to pray that this time of “hunger” will be filled and that we will be satisfied by the Lord. Although we weep for lack now, we understand fully that we will laugh again in God’s appointed time.

Our calling is a full time balance of lifetime calling for which we have necessarily forsaken all else. There are clear confirmations that come when the Lord has His hand upon someone for a purpose. One of these confirmations is simply that there is nothing else that a “Called Out” person can do except all that the Lord ask of that person. We endeavor to be found approved of God as David was because David’s heart beat with God’s heart. Another version says that David was found to be a man after God’s own heart because he heard the voice of God and did all that God asked of him. In a nutshell this is our profound calling to hear His voice and to do all that He ask of us.

We pray that the Lord through His Holy Spirit will touch you in such a way that you can do nothing else but partner with us for God’s glory. We are servants approved by God for these purposes and we implore you to be found among God’s people of willing hearts to help.

*Be Blessed, Wayne Gaines*
