

MINISTRY GOALS: Judges 7:7 "I'll use the three hundred men..."

To globally "Lead With Vision" (Proverbs 29:18), by **maintaining an unwavering focus on lifting up Jesus Christ before men** so that He may draw men unto Himself. To create an "autonomously partnered" global ministry that is pleasing to the Lord, both hearing His voice and doing all that He asks of us. (Acts 13:22) To work very closely with native & ethnic ministry leaders inside of their own countries by:

1. Coming along side of them in fasting prayer in order to jointly learn the will of God for their ministry outreaches. (Acts 14: 21-28)
2. Learning from them on a practical level how to reach their own people groups in every country, tribe, nation and tongue. (Acts 15: 6-29)
3. Making accessible practical training in terms of Bible knowledge, leadership training and certifications where possible. (Acts 15: 36)
4. Providing mentoring, partnering and real friendship in ministry. (Acts 17: 10-11)
5. Becoming a practical support and literal help to them in terms of financial support for ministry outreaches, when and where enabled. (Acts 16: 4-10)
6. Sincerely fellowshipping with them in their suffering and in their joys. (Acts 18: 24-28)
7. Assisting them in the sharing of their ministry reports via the Mighty 300 Ministries website, in order that they might gain prayer partners and practical supporters for their ministries. (Acts 19: 8-10)
8. Helping where enabled and where possible with their practical needs in terms of ministry support, project support and personal needs. (Acts 20: 17-38)
