Support Replacing the Death Penalty

The Catholic Bishops of California support the effort to place an initiative on the November 2012 ballot that will replace the use of the death penalty for a capital crime with the penalty of life imprisonment without the possibility of parole.

In their statement they say:

“As Catholics, we hold human life as sacred. In the exercise of justice, this principle must prevail in the manner we treat one another, even for those who have done grave harm. Justice requires proportionate and effective means in the protection of society. As citizens, we find the use of the death penalty unnecessary, impractical and expensive.”
