

## Babies Deserve Our Love

Babies deserve all our love and care because God made babies and people in his own image and gave us all a soul.

God created all the animals and plants on earth. He made them all very beautiful but He did not give any of the animals or the plants a soul. Having a soul is what makes babies and all people very special to God.

God loves us more than animals and He taught us to love each other. Babies make us feel happy and keep us company. They remind us of God's gift of life.
