

**CASS/Alberta Education Learning Symposium 2012:
Engaging Partners
March 14 - 16, 2011
Speaker Information**

Thank you for considering presenting at the CASS/Alberta Education Learning Symposium 2012: *Engaging Partners*. This symposium models working with partners for Alberta student success. It takes place March 14 - 16 at the Fantasyland Hotel in West Edmonton Mall. The intent of every session is to explore how the diverse needs of students can be met through programs of study, learning resources and new initiatives.

The College of Alberta School Superintendents is looking for sessions that are co chaired by three partners or by a jurisdictional team that crosses stakeholder organizations. We hope to showcase the opportunities that are created through collaboration.

If you have a jurisdiction based example of collaborative partnership you would like to share with others, please complete this form and get it back to me by February 8, 2012.

The sessions at CASS/Alberta Education events are purposely interactive with opportunities to discuss and share insight on the topics presented. The 80 minute sessions are structured with 30 minutes to provide information about the work, 40 minutes for small table discussion among the participants, focusing on 3 or more questions, followed by a 10 minute wrap-up. Co-presenters need to be able to speak within the 30 minutes timeframe.

Each session room will be equipped with a screen, wireless internet and an AV cart. Please bring your own laptop and projector if you plan to use it for your 30-minute presentation.
