EASIER, FASTER,

BETTER *and*

IN COLOR

WE CAN ALSO SHIP YOUR CABLE RUNS ON PARALLEL REELS!

With only one reel to set up and monitor during pay-off, parallel runs can save time whether you're pulling into conduit, cable trays or duct banks. The savings are especially noticeable on smaller runs, where setup may account for a larger percentage of the job time.

- **Trouble-free installation and inspection**
- **Increase job productivity**
- **Increase Jobsite safety**
- **Eliminate color-coding tape hassles**
- **Save time**
- **Save labor**
