Subject: RACO/Bell Price Adjustments

Recent steel increases have forced us to increase our price on all steel related products by 5% to 8%.

The price effective date will be October 1, 2009.

A Hubbell Electrical Products' sales representative will supply you updated distributor net price files. Trade pricing can be located through IDW (Industry Data Warehouse) or the Hubbell web site ([www.hubbell-raco.com](http://www.hubbell-raco.com)).

Thank you for your business and support of Hubbell RACO/Bell.
