Troop Holiday Box Drive

Troop Holiday Box Drive - Starts This Month!
October 18th through November 8th

The **Wolfeboro Area Armed Forces Support Group** (WAAFSG) will be holding their annual Troop Holiday Box Drive from October 18th through November 8th. We encourage you to drop off your donations at our showroom, off Route 109A in Wolfeboro. All items will be wrapped, boxed, and shipped to our local military men and women serving in the U.S. and overseas. *Some items needed for donation include: Food & snacks, hygiene items, socks, magazines, games, funds to send the boxes, and more!*

October Savings -Burner Service Special

Remember to have your burner serviced annually to maintain efficiency and safety in your home. We are now offering a special of **10% off your Burner Service**. (Extensive Burner Services not eligible for discount.)

All Burner Services Include:

- Cleaning, Nozzle, Electrodes & Fuel Filter
- Our technicians follow a checklist with 16 components to ensure that your burner is properly serviced.
- A report of your burner efficiency test results
- If you had your burner serviced by Thursty Water Systems last year, we will provide a comparison of your test results with last year's test.
- We keep your information on file for reference in 2011. We will add you to our annual Burner Service schedule, and call each year to schedule your Burner Service.

We are proud to say that we have not increased our Burner Service pricing since 2007! For quality workmanship that you can trust, contact our office to schedule your appointment today.

Tip to Prevent Leaks!

Here's a tip that may help prepare you for Spring next year:

Before the winter arrives, we recommend that you take the hose off the sillcock outside your house. This prevents freezing, which can cause leaks once spring arrives and you want to use the hose.

WATER TRIVIA

Be the first to answer this month's trivia question correctly for a chance to win a Thursty Water prize! Send your answers to thurstywater@metrocast.net.

We will notify the winner on October 31st, 2010.

Q: What does it cost to operate the water systems throughout the United States each year?

CONGRATULATIONS Carol M. for having the exact answer!

September's Q: What were the first water pipes made from in the United States?

A: Fire charred bored logs - According to the US EPA

**Winterizing Your Seasonal Home? Call Us Today
Our Seasonal Customers - We Will Miss You!**

If you are considering closing down your home for the winter months, please contact our office. We will work with you to schedule your winterization on the day that you leave, or at your convenience.

Remember, proper winterization of your seasonal home will help prevent issues as you return next year! Our licensed technicians work to ensure that all proper steps are taken to close down your home. We keep your information on file for reference as we start up your home in the spring. Contact our office to schedule your home closing today, and maintain peace of mind.

To all of our seasonal customers, we hope you have a great winter and we look forward to seeing you again in the spring!

Client of the Month: The Wolfeborough Diner

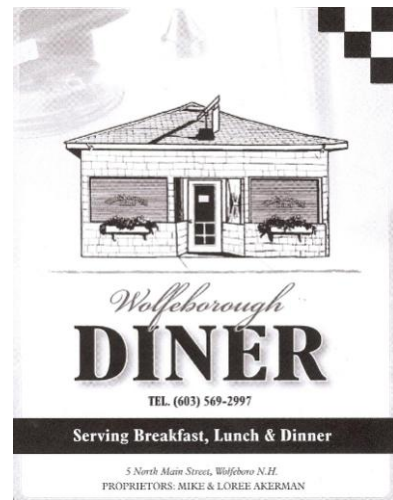

We are pleased to promote our Client of the Month, The Wolfeborough Diner

For years we have enjoyed working with the Wolfeborough Diner! From the friendly staff that always offers a warm hello, to the great family atmosphere and delicious home-cooked meals, you'll find yourself leaving with a smile on your face. The hearty meals that are served all day and an option to order from the take-out menu offer something for everyone. And don't forget to try one of their home made desserts!

A blog from the Wolfeboro Chronicle highlighted the Diner in February, complimenting their breakfast specials and said, "Throw in some rye toast and hash browns for good measure and you've got something that stands behind you all day long!" We couldn't agree more! [Read the Entire Blog Here](#)
