Air Conditioning - Water Filtration**

December 2010

Vol 2, Issue 12

**Happy  
Holidays**  
*From All of us at  
Thursty Water  
Systems!*

## Give the Gift of Health this Season

**Even Frosty and Rudolph know that water is essential to their health!** We're sure that Santa gives his reindeer plenty of water before they take off around the world. Wouldn't you need to be hydrated for a job like that?

Did you know that with a fraction of what Americans spend during the holidays, the entire world could be equipped with life-saving, clean water? Any time is a great time to invest in your drinking water. Call our office and learn how you can give your family the life-saving clean water they deserve.

Instead of just letting it snow this winter, we say,  
***Let it flow, let it flow, let it flow!***

## Mark Your Calendars!

Open House & Food Drive  
Thank You For Donating!  
Thursty Honored by BBB  
Seasonal Reminders

## Join our Online Network

Thursty Water Systems is  
accessible through your favorite  
online tools!

*Showroom Open 4:00-7:00pm*

We invite you to visit our showroom for refreshments and holiday cheer! **Bring your non-perishable food items for donation** or cash contributions, and choose a special Thursty Water Systems logo item as our gift to you. Meet our very own Special Guests from the New Hampshire and Massachusetts National Teenager Organization, and the U.S.A. Ambassador Pageant!

This event is a community wide food drive and fundraiser for the **L.I.F.E. Ministries Food Pantry**. Visit participating businesses in Wolfeboro, and enjoy musical entertainment throughout downtown Wolfeboro. Visit the Wolfeboro Chamber of Commerce [Online](#) to learn more about all of the events throughout the Holiday Season!

**Thank You for your Generosity**  
**Troop Holiday Box Drive**

We are very fortunate to live in a giving community! Thank you to everyone who donated items for the Troop Holiday Box Drive held by the Wolfeboro Area Armed Forces Support Group. Because of your generosity, our local troops will soon receive Holiday Boxes with gifts wrapped in Holiday Paper, and cards of thanks. We enjoyed your visit to our showroom, and we sincerely appreciate your support.

**We would like to especially thank:**

Bill Buttermark, Robert & Carla Copeland, Adele Garvin, Sarah Heath, Peter Pijoan, Anne Pike, Lori Wells ...and anyone not on this list who visited our office with donations.

**Listen for Thursty Water on the Radio!**

Our focus is to educate our community about water quality. Tune into these stations to hear us on the radio!

**Thursty Water Systems Honored at Torch Awards**

Thursty Water Systems was honored on November 4th at the Torch Awards, an annual awards ceremony held by the Better Business Bureau of New Hampshire. Thursty Water Systems was noted to have achieved a "perfect record" as a BBB Accredited Business. We would like to extend our gratitude to our customers, and we look forward to working hard to further ensure great customer service and reliability.

## WATER TRIVIA - Christmas Edition

Be the first to answer this month's trivia question correctly for a chance to win a Thirsty Water prize! Send your answers to [thirstywater@metrocast.net](mailto:thirstywater@metrocast.net). We will notify the winner on December 31, 2010.

**Q: In the first week of being in a household, how much water will one Christmas Tree consume per day?**

*November's Q: How much of an ear of corn is water?*

**A: About 80% - According to the US EPA**

## Great Gift Idea!

This Holiday Season, you may be looking for inexpensive gifts with just the right touch. We love the idea of a brand new... you guessed it... Water Bottle! These days, water bottles come in all shapes, sizes, and colors. If you want to add just the right touch, you can fill the water bottle with your loved one's favorite candy or a gift card. Go ahead and be creative!

**Here's the best part:** *You will be helping your loved one by encouraging their health, and helping the environment by doing your part to decrease the bottled water habit.*

## Winter Seasonal Reminders

**Check Your Outdoor Faucets:** Before the weather is too cold, we recommend that you take the hose off the sillcock outside your house. This prevents freezing, which can cause leaks once spring arrives and you want to use the hose.

**Home Winterizations:** If you are considering closing down your home for the winter months, please contact our office with at least one week's notice of the date you would like to winterize. We will work with you to schedule your winterization on the day that you leave, or at your convenience. Remember, proper winterization of your seasonal home will help prevent issues as you return next year!

**Schedule Your Annual Burner Service:** The colder weather is coming! Remember to have your burner serviced annually to maintain efficiency and safety in your home, and to avoid heating problems this winter. Our Burner Services include the cleaning, nozzle, electrodes & fuel filter; a report of your burner efficiency results; annual reminders to schedule your next service; and your records will be kept on file. Our technicians use a 16-point checklist to ensure quality workmanship that you can trust.

## Finance Your Water System Install with Meredith Village Savings Bank

Meredith Village Savings Bank can help you finance your water system. Call today for details!

**Receive Special Logo Item  
From our Holiday Gift Basket**
