Thursty Water in the Community

Christmas Spirit Open House & Food Drive *With Special Guests*

Miss NH Junior National Teenager & Miss MA Sweetheart National Teenager

On November 27th, Thursty Water Systems, Electrical, Plumbing & HVAC participated in the Wolfeboro Chamber of Commerce Christmas Spirit Open House. The event was a community-wide food drive and fundraiser for the L.I.F.E. Ministries Food Pantry. Visitors donated non-perishable food items, enjoyed refreshments and holiday cheer, as well as a visit from our special guests, Miss New Hampshire Junior National Teenager and Miss Massachusetts National Sweetheart from the [National Teenager Scholarship Organization](#). The Organization promotes community service, academic achievement, & leadership skills, and awards over \$200,000 in scholarships and prizes every year. Visit the organization's [website](#) to learn more! Thursty Water is a proud sponsor of this wonderful organization!

Annual Holiday Troop Box Drive

Thursty Water Electrical, Plumbing & HVAC employees and their families worked with the Wolfeboro Area Armed Forces Support Group to show our support for our local troops at the Annual Holiday Troop Box Drive. Donations for the drive were collected at various locations throughout the community, including the Thursty Water Systems showroom. On November 17th, Thursty Water employees & their families worked with the WAAFSG and many community members to wrap all donations, and package over twenty large boxes for our troops.

Give the Gift of **Power** this Christmas Generator Sales & Installations!

Prepare your home to stay safe and warm throughout this winter season. Our licensed technicians can provide you with a quote to install a generator in your home. [Contact our office](#) today to schedule your free consultation.

NEW! Finance Your Water System Install

Clean quality water is essential to life - and now, it can be more affordable, too! Thursty Water Electrical, Plumbing & HVAC has partnered with the Meredith Village Savings Bank to provide all of our customers with the opportunity to finance your water system installation, through the Energy Solution Loan. This program provides financing for home projects that will increase the energy efficiency of your home, including water purification system installations.

Call our office (603)569-1569 to request your packet of information today!

Our Seasonal Customers... We will miss you!

Winterize Your Home before you leave - SAVE \$\$\$\$\$

If you're considering closing down your home for the winter months to **Save Fuel and Snow Plowing Costs**, please contact our office. Your time is valuable, and our attention to your needs is important. We are able to schedule your winterization on the day that you leave.

Remember, proper winterization of your seasonal home can help you save money this winter, and will help prevent issues as you return next year! Contact our office to schedule your home closing today, and maintain peace of mind.
