Cause for Concern: Insufficiencies Revealed in the NH State Board for the Licensing and Regulation of Plumbers

Happy St. Patrick's Day from Thursty Water!

Everyone at Thursty Water, Electrical, Plumbing & HVAC would like to wish you a very Happy St. Patrick's Day!

Don't forget to check out our St. Patrick's Day Special for the month of March. Details are below.

No Tolerance Policy: Are plumbing violations on your plumber's record?

Did you know that code violations by any plumber are required to be submitted to the State Of New Hampshire Plumbing Board, and will become part of the plumber's permanent record? Chairman Tedd Evans states that "licensed plumbers should never have code violations." Even minor violations or oversights must be reported. [Read More](#)

Audit of the State Board for the Licensing and Regulation of Plumbers Reveals Concern for Homeowners

A recent audit of the State Board for the Licensing and Regulation of Plumbers Board revealed surprising insufficiencies and inadequacies in Board's lack of management controls. The Board's mission is to protect and improve the general health and welfare of New Hampshire's citizens in the field of environmental sanitation through licensing plumbers, inspection and investigation, enforcement of the State Plumbing Code, and discipline (RSA 329-A:1, B-1.1). However, findings including weaknesses in following process and procedure should concern homeowners. [Read complete audit results here](#)

Government Rebates for your new Water Heater Installation

The Federal Government has allocated \$300 Million to reward homeowners for energy efficient upgrades in your home. Earn up to \$250 in rebates for the purchase of new, energy saving appliances, including water heaters. The rebates will be given on a first-come, first-serve basis until funds are depleted.
