

News from Business Meeting

Frances Alkire (vice President) is now in charge of the machine inventory and loan agreements and the keys to the warehouse. She will also coordinate the burials.

Nancy Cooper is a new volunteer. She sews and quilts.

The Brochure is being updated and will be printed for the Expo in March.

We need to continue to watch our expenses. We will only spend for batting, snaps and maybe yarn. Anything else requires Board approval.

Ida brought in some fleece caps which can be made from fleece scraps, as long as the fleece is stretchy. The pattern was adapted from Nancy Zieman and will be on the web site.

Leon reported on the Expo arrangements. We have a 10'x10' booth, so we will not have a sewing demonstration. The operating company for the Expo has changed. Bunten Road Workshop will make pin cushions. Leon has fabric and stuffing material if anyone else wants to make some. (lscusson@yahoo.com). Contact Debbie (debbie.vickers@bellsouth.net) to volunteer. Call her to pick up badges at the Expo. We will try to hang items from the layette to display.

We received some booties from someone in Florida.

Michelle Murray has renewed our domain name and web site hosting fees. Thanks to her for this generous contribution.
