

February Newsletter

♥ *In the month of LOVE, I thought it would be fun to remember why we do what we do. We each have a talent and a joy in stitching and it is translated into love for those that need it most. I can't think of a better expression of love for us to give. Enjoy the thought of that sweet baby smell, snuggles and belly laughs that only last for a tiny bit.* ♥

* Please make sure you are putting the snaps on the sleepers correctly. Four snaps down the front approximately 3 1/2" apart. No lapping over and stitching down the fronts at all.

* We want to make sure that what goes out in our layette bags is **consistent**. Please when making clothing, use the patterns set out for our use. They are easily found on the web-site. Same goes for the sizes or dimensions of all items.

* Also, WELCOME to the eight new members from Gainesville! We are so happy to have you stitching with us. Enjoy!

🙄 An explanation for why the pre-pack date was incorrect. Pre-pack is supposed to happen the Wednesday before the business meeting which falls in the next month. In January and again in February, the last Wednesday falls in a month where the following Tuesday (business meeting day) is still in the same month.; January 25th (pre-pack day) the next Tuesday is still January (the 31st). When this happens, pre-pack moves to the next week so that the business meeting always falls in the correct month. In April, it will be back to normal.
