

## TESTIMONIAL

### *We Love Rejoicing Spirits !!!*

*by Susan & Joshua, Rejoicer Friends*

**R**ejoicing Spirits has been a wonderful experience for my son, Joshua, and me. We started attending RS at St. Paul's Lutheran in Lionville last summer; and are so thrilled to have RS services here at Calvary now.

Having a child with developmental and physical disabilities has limited our participation in some public situations. Not only is RS a wonderful opportunity for us to worship in a very caring, concerned, and loving environment, but it also provides an opportunity for us to "network" with other people with special needs and their caregivers. We have been very fortunate to make some new friends and rekindle friendships with some "old" friends too.

We are so blessed that Joshua was born in a time and place when people with "differences" are better accepted in the community and that there are programs in place that enable each and every one of us the chance to be everything we can be. And now RS offers the opportunity for everyone - no matter what their ability - a time and place to worship.

Also, after Joshua was born, I found that I was not attending church. RS has provided a warm and welcome way for me to get back to church on a regular basis -- for this I am very thankful. We are grateful to the many people who volunteer their time and talents to RS so that other families like us have the opportunity to worship in this amazing setting. Thank you so much from the bottom of our hearts!

With Warm Appreciation,  
Susan & Joshua
