### DISCONTINUATION OF DROP –IN SERVICE

Parents, due to the number of people who consistently fail to pick their children up on time and then refuse to pay the required drop-in fee, The Crayon Club is forced to discontinue this service in order to protect their childcare license. Please be advised that you **MUST** pick your child up from school on time. As we have stated on numerous occasions, The Rhodes School, like most other schools, is not staffed to provide free childcare after school. **Parents who fail to pick their child up on time run the risk of having a neglect report filed against them through Children’s Protective Services.**

## Introducing...

### The Rhodes School Scholar Student Recognition Program

TRS has launched a new campaign to recognize and reward students who reflect the characteristics of our school’s founding principles: Scholarship, Leadership, Integrity, and Citizenship. Students who **consistently** display these traits serve as a model of the true Rhodes School Scholar. Rhodes School Scholars are professional students who demonstrate

- 1) Scholarship (They have good attendance; They are prepared for class & bring materials & supplies; They produce quality work; They complete assignments on time);
- 2) Leadership (They are well behaved both in and outside the classroom; They set an example for others to follow);
- 3) Integrity and character (They do what is right even when no one is looking, and accept responsibility for their behavior;
- 4) Citizenship (They help others however and whenever they can; and they take care of the environment.)

### We’re Mad About Math!!

Our Annual Family Math Night Is Thursday, February 23, at 7p.m. Each campus will host its own event. Activities feature students as teachers & parents as students. It’s a great way to experience math from your child’s perspective. We’ll SEE YOU THERE!!
