Campus Vision: "Every Student. Every Crew Member. Every Day."
Rhodes School South...The pride of the Southeast Side!

The mission of The Rhodes School is to develop a crew that produces critical thinkers with the character to lead.

English Language Arts and Social Studies (Ms. Moore-Conner):

First Grade ELA: - Students will learn how to: establish a purpose for reading (review); identify the topic of the text and explain the author's purpose; understand consonant blends (review); identify ending consonant blends; blend words; write a personal story; and identify nouns and verbs.

First Grade SS: - Students will understand how people use geographic tools to locate information on maps and globes.

Second Grade ELA: - Students will learn how to: identify the author's purpose within a story; blend words with consonant blend sounds; understand the writing process by writing a personal story; and identify verbs (past, present, and future).

Second Grade SS: - Students will identify the physical characteristics of a community.

Homework assignments are due each Friday. Each week, I will send home a homework assignment sheet to help keep you and your child on task with the weekly assignments. Also, please ensure that your child is studying the spelling words for the weekly, Friday quiz. This is a major assessment grade and I want to ensure that your child is successful. If you have questions or concerns, please contact me at tmoores@rhodesschool.org or via Class Dojo.

Math and Science (Mr. Ryan):

First Grade Math: Students will: read/write time to the nearest hour; identify coins and estimate amounts to the nearest dollar.

First Grade Science: Students will review how to observe, compare, describe, and sort components of soil by size, texture, and color.

Second Grade Math: Students will: read/write time to the nearest hour; identify coins and estimate amounts to the nearest dollar.

Second Grade Science: Students will review how to observe and describe rocks by shape, size, and texture.

On Friday, December 2nd, we held the second round of the Math Bee. Congratulations to DIERRA BRANTLEY for continuing on to Round 3!!!

Parents, make sure students are writing their first and last name on assignments, along with the date. *Students are working hard in preparation for the Holiday Program. Please prepare to attend. Please make sure that the students are completing homework and returning it promptly. If you have any questions, please email me at garyan@rhodesschool.org.*
