GREEN PIECES

Encouraging Pastors and Churches in Principle Centered Youth Ministries

March - May 2012

Dear Praying Friends,

Our hearts are filled with joy as we reflect on the years of ministry that God has privileged us to experience half a century. Wow, that sounds like a long time for such a young missionary couple. It is hard for us to believe that we have been in ministry for that length of time.

We just returned from, what we calculate, is our 12th ministry trip to Korea. We were blessed to have been able to make a contribution to the minister there in doing some preaching, teaching and construction and repair work on the Bible Institute Campus on Jeju Island, Korea. The most important project that we were able to complete was the bedroom in the visiting professor's apartment. This was hanging over the heads of the staff somewhat like the Sword of Damocles. It had been unfinished for 15 months. They are so relieved to have it done. Louise not only helped with this but other things that were in her areas of interest and expertise.

We are now "back in the saddle" again with our ministry in Word of Life Local Church Ministries. We have six new clubs in four new churches that we are now servicing. There are now 60 clubs that we are responsible for and excited to working with them. Teens and children's ministry in and through the local church is so important and our ministry is strategic in that we provide, not only top of the line, excellent materials but leadership training and encouragement to the very dear leaders.

Louise and I will be assisting with WOL Teens Involved (both at the Area and the Regional Levels) and the evangelistic WOL Sports Challenge in the next couple of months. Please faithfully uphold us in prayer as we seek to serve the Lord in ministering to youth and the leaders of youth. We want to be instruments in the Lord's hands to do His will.

We are grateful for your support and prayers for our ministry. Please let us know if you have requests for which we can pray.

Yours in the service of our Blessed Lord Jesus,

Ralph and Louise Green
