

Hello everyone!

How time flies and I can't believe that the first week of January is already gone! Trust everyone had a Blessed Christmas and a Happy New Year!

We are back in S.C. now where we have internet again so we decided to write a quick update before making our last quick trip to VA. for a couple days.

Our theme song has been, "On the Road Again" as we have traveled thousands of miles this past month and a half. We were glad to be able to spend a couple weeks with our girls and their families in S.C. and then with our son and grandchildren in FL. over the holidays. We were also able to make a quick trip to MO. to see Gary's sister and husband and then to Texas to see Marie's sister and husband, mother and grandmother who will be 104 years old in a couple weeks!

We want to thank the many people who have been praying for Marie's knee. Back in mid-November she fell hurting her knee again and with all the traveling in a car it has really kept her leg and knee hurting quite a bit. Ice packs seem to help the swelling but still a lot of popping and pain. We are thankful that she can still walk. Please continue to pray for her knee and that it will completely heal without having to have a knee replacement any time soon.

While Marie goes through the tedious job of packing for our return trip to Venezuela, Gary will be working on Bible translation. He will be working on translating some more of Psalms and the Book of Job so please keep us in your prayers in these weeks to come.

We have so much to be thankful for as we have seen God keep us safe in our travels and has continuously met our need. Pray for us as we make the necessary plans for our return to the land of heat where we can shed the added pounds that we have accumulated while here in the U.S. 😊

A special thanks to each one who has given through love, prayers and financial giving. We appreciate each one of you!

Blessings,
Gary and Maria Dawson
