

Dear Supporting Church Family,

Thank you so much for your partnership with us in our ministry at Rapidan Baptist Camp. We rely on faithful support in order to continue the work of the ministry.

Over the past year we have seen the Lord's hand in providing for the camp. We are grateful for the hard-working summer staff and the many campers that came during our summer camp weeks. Many decisions were made; 62 salvation/assurance decisions, 14 dedication decisions, and 30 other decisions. Praise the Lord!

We were also excited to see the completion of the road project in early June. We are encouraged by the great number of people that dedicated time and effort throughout the year to complete projects or help out with retreats.

We are looking forward to an exciting year ahead. In honor of the camp's 50<sup>th</sup> anniversary, we have a very special event planned and also a special fundraising opportunity. Our Rapidan Round Up is scheduled for May 19<sup>th</sup> with special activities planned for the whole family. Check out the spring brochure for more details.

We are also looking to raise \$100,000 towards the renovation of the water system. Any additional money given will go towards our endowment fund. We would like to see 100 businesses, churches, or individuals donate \$500 each, and 1,000 individuals donate \$50 each towards this goal. The need is great, but our Lord is greater. Won't you prayerfully consider participating in this anniversary fund?

We would like to encourage you and your church members to sign up for our monthly email newsletter. Stay up to date on what is happening at camp and be reminded of the upcoming events. You can sign up by going to our website [www.camprapidan.com](http://www.camprapidan.com). Also, please join us on Facebook.

Our prayer for the year to come is that we would continue to pursue our mission statement, "Glorifying God by aiding local churches." Thank you for your prayers on our behalf. We covet your prayers for this next year. We look forward to serving alongside you.

May God bless you and your ministries as you continue to serve Him.

Your servant for Jesus' sake,
