Question: How do we make a difference in people's lives?

Answer: One at a time.

What person(s) are you trying to make a difference in their lives? It may be your own, beyond that we all need to be influencing others one at a time.

Sometimes we wonder how someone as insignificant as I am can really make a difference. The world is full of stories of how individuals greatly impacted and changed people's lives by loving and taking interest and helping them mature in Christ.

I have been reading a book entitled "*What Every Sunday School Teacher Should Know.*" There are many success stories in it.

This was made fresh again at my mother's service recently. She was not well-educated and did not have many worldly possessions. But she was always giving out of what she had. Her love and wisdom touched many lives, one at a time.

I heard family members and others sharing how she loved them unconditionally and how she was concerned for all who crossed her path.

She lived 98 years, the last twenty months paralyzed from a stroke on the left side, spending most of her time in bed, but she never complained, in fact she was thankful for her right hand which she could use.

She taught me to have love and compassion for others and for that I am thankful.

But, back to the original thought and question. How and whose life are you making a lasting difference in? It's worth the investment.

COURAGEOUS

We have four copies of the **Courageous** DVD, a must see for families. Plan a class fellowship and view. Take it home and invite friends to watch it with you. We will plan a church wide viewing later this year.

This movie could strengthen your faith, your marriage, your family and your daily walk with God.
