## David Kessler, 2-D Judge

David is a contemporary abstract painter, nationally recognized workshop painting instructor, author, and juror dedicated to helping people become better painters. David's bold, energetic, and colorful works can be found in corporate and institutional collections in North Carolina and private collections in the United States, Canada, Mexico, and Europe. He works out of his studio in Winston-Salem, NC. He is author of *Bigger, Faster, Fresher, Looser Abstract Painting Workbook* and founder of Abstract Painting Academy, Abstract Painting Insider, and Design Fundamentals for the Artist. <https://www.davidmkessler.com>

## Lisa & Alex LaPella, 3-D Judge

Lisa and Alex LaPella are funny, engaging, and full of pottery knowledge. They have been on the cover of Pottery Making Illustrated along with an article outlining their process and glaze recipes. They have also been featured by *Ceramic Arts Daily* and *Pottery Making Info*. Alex and Lisa LaPella are potters and partners, in life and in the studio. They collaborate on nearly everything that comes through the studio, passing work back and forth throughout the process. This collaboration, which grew naturally through their marriage, allows the pots to take on lives of their own as they give up ownership of them. One of the LaPellas conceives a pot, the other might birth it, and as the process unfolds with the pot passing between them, the pot becomes more than the original idea. <https://www.lapellapottery.com>
