Dear Fun in the Son Participant and Parents:

Fun in the Son is a great week of fun and fellowship with over 600 other students from around the nation. With so many people at this conference, things can get a little crazy at times. For the safety of the students, they must have respect and compliance with the instructions of the trip leaders. For these reasons, we ask all participants and their parents to agree in advance to the following expectations.

1. All Fun in the Son participants will be actively engaged with the team in all aspects of the trip. The trip leader may approve exceptions at the time of registration.
2. Participants will dress appropriately for the context of the trip. This is mainly concerned with the issue of swimwear. Parents, please make sure your student brings appropriate swimwear.
3. No drugs, alcohol, tobacco products or weapons of any kind are allowed. If you are found with, use, or purchase any of these items you will be sent home immediately at your parents' expense. We have a zero tolerance policy on this matter.
4. The spirit among team members will be that of 1 Corinthians 10:24, "Nobody should seek their own good, but the good of others..."

I, (signature of student) _____, understand and agree to the above expectations for my participation in Fun in the Son (today's date)_____.
