

Westlake Hills Presbyterian Preschool
Holiday Collectibles
Cowboy Christmas

2010

Dear Vendor:

The Westlake Hills Presbyterian Preschool Holiday Collectibles Food and Gift Fair is one of the best shopping bazaars in the Austin area. We have booths offering shoppers wonderfully creative items including jewelry, clothing, pottery, children's items, home furnishings, floral, and Christmas decorations. The 2010 show is scheduled for November 5th and 6th.

Holiday Collectibles benefits the Westlake Hills Presbyterian Preschool. In its 24th year, the show offers a wonderful café serving breakfast and lunch, a frozen casserole sale, a raffle, and a hospitality room for our vendors. Last year, Holiday Collectibles attracted approximately 2000 shoppers.

As in years past, we will use your applications to select the vendors for the show. Selections are made to provide a balance across exhibit categories (holiday decorations, home décor, jewelry, spiritual items, food and so on). We ask that vendors bring items only for the category in which you apply. For example, if you are applying for the home décor category, please do not also bring jewelry. There is no preference given to vendors of previous Holiday Collectibles shows, members of Westlake Hills Presbyterian Church or to staff and parents of the preschool.

Please note that some booth fees will be individually priced based on location and size.

Please complete the enclosed application form and mail it with pictures (non-returnable) of your product for formal review. **We must receive your completed application by May 1st.** Acceptances will be **emailed** in June with registration forms.
