-Selections are made by committee to provide a balance across exhibit categories. There is no preference given to previous Holiday Collectibles vendors, members of Westlake Hills Presbyterian Church or to staff and parents of the preschool. If selected, we ask vendors to bring items only in the category in which they applied.

-Decision letters will be mailed in mid-June with registration forms to selected vendors. At this time, you can designate your electrical and table rental needs. Information on setup, show hours, and tear-down will be published in June. Payment is due upon registration.

-Vendors supply their own extension cords, sacks, calculators, change banks, table coverings, backdrops and setup materials.

**Vendors must provide an item valued at a minimum of \$50.00 for the Silent Auction.**
