

# TOT-LINE

February 2-3

- If you did not receive your schedule for **registration** with your time (s) to register highlighted, please see the front desk.
- New Parents: Registration time can be a bit confusing so if you have any questions, please stop by the desk or email us. Every family must register every year.
- We have been getting a lot of calls from families interested in our preschool and kindergarten. Thanks for spreading our name to your friends and neighbors. Your recommendations are better publicity for us than any advertisements we run. Please continue to pass the word on... open registration for the public will be Friday, 2/24.
- After reading our parent requests for classes, there was not enough interest to create the baby class, we will not offer a “Babies” class for children under the age of 12 months.

## **Sickness Policy Reminder:**

Please keep your child (ren) home when he/she is sick.

- Those with fever of 100.4 should stay home for at least 24 hours after they no longer have fever.
- Is taking an antibiotic and has not been on the antibiotic for 24 hours.
- Has had diarrhea in the last 24 hours.
- Has vomited in the past 24 hours.
- Has a constant runny nose (yellow or green).

Please call if your child will not be attending school due to an illness.
