

Dear Brothers and Sisters,

As our second graders begin preparing for their First Communion and our eighth graders continue their preparation for the Sacrament of Confirmation, this is a good time to acknowledge all of the catechists that work with our youth and are so dedicated to making these moments so special and powerful. A number of these catechists have been serving for several years and have given generously of their time in the midst of their own commitments to family and work. Please keep them in your prayers that they may be instruments through which the Lord can work to bring our youth close to Himself through these great sacraments.

Thank you for openness and generosity to the Archbishop's Annual Appeal. As I mentioned last weekend at all of the Masses, I know that much has been asked of you and you have responded with great generosity to our own parish's needs. Remaining mindful of the needs of others, we look forward to sharing our parish rebate from this year's Annual Appeal with those whose needs are even greater than our own. As I know you have heard before, the old saying goes: "You cannot outdo God in generosity". As Mother Theresa put it when she wanted accomplish some new work for the poor and the sick but was lacking the finances necessary: "God has lots of money." With the same faith we trust that the Lord will provide for all of our needs: those of our families, our parish family, and especially the less fortunate. God bless you!

*Rev. Erik Arnold*

OLPH School Board is looking for new Board Members for the upcoming 2009-2010 school year. An OLPH Board Member has a unique opportunity to make a significant impact on the future of our School!

We are looking for people with experience in the areas of technology, marketing, fund raising, law, and finance. We are also looking for people from both inside and outside the OLPH Elementary School community. Archdiocese rules require that we increase the number of non-OLPH parents on the school board in order to strengthen the diversity of talent and perspectives available to the school.

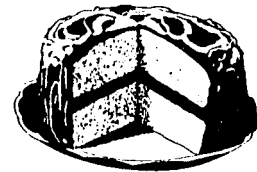

Grandparents, godparents, aunts, and uncles are all welcome to apply to be a member. Help support the OLPH community and the terrific work that is being done by our outstanding teachers and administrators. Contact Shelley Johnson at 410-720-0021 or [shelley\\_johnson@verizon.net](mailto:shelley_johnson@verizon.net) if you are interested or have someone to recommend.
