The above table is given to illustrate more fully how the payments become more affordable than one would otherwise believe as it is paid out over a five-year period. The table assumes that a 10% down payment is made immediately with the pledge, but this does not have to occur unless the donor chooses to do so.

HOW TO GIVE

The most common method of completing a financial pledge is to make a cash gift. Your gift to the Campaign is tax-deductible and may be paid over a period of 5 years. You may elect to pay on a monthly, quarterly, bi-annual, or annual basis.

A gift of appreciated securities is an excellent way to carry out a pledge, since you can make a significant contribution at lower cost. Federal tax laws allow a charitable deduction for the full market value of securities

on the date of your gift, and you may avoid capital gains tax that you would have had to pay on the sale of the stock or bond if it has appreciated over time. Please consult with your tax advisor.

Other gifts may include the gift of real property or bequests (if you are of a certain age), in which you designate Our Lady of Perpetual Help as a beneficiary under your will. Please contact the Parish Office to determine the specific policies regarding such gifts to the capital campaign.
